Assessment Policies

Quizzes
You need to have reliable access to the Internet on the assigned days of the lesson quizzes because they can only be completed online. Submission of quizzes via email or in printed form will not be accepted. No exceptions. The use of smart phones for taking a quiz is forbidden. **No other Web pages or tabs can be open while taking a quiz.** The system logs all browser activity. Opening new browsers or new browser tabs can invalidate your testing session. Do not give your unique course password to another person or allow another person to access the course to take the test in your name.

Submitting Online Quizzes
Online quizzes that have been submitted CANNOT be reset (see below). IF you experience computer or technical problems during an online quiz, DO NOT SUBMIT the quiz. If you suspect technical error, exit the browser immediately and address the problem by trying to take the quiz again on a different computer, or by contacting technical support at HOLSupport@asu.edu. **Do not contact the instructor.** Submitted quizzes cannot be retaken. No exceptions.

Resets for Online Quizzes
A reset for an online quiz is an action usually taken by a student prior to contacting technical support. IF you experience a glitch during an online quiz, close your browser. When you attempt to restart the online quiz, the system will ask you to confirm the reset. Important about resets:
- Only one online reset is allowed per each online quiz.
- In total, only two online resets on online quizzes are allowed in any given semester.

Concert Reviews
You are required to complete 6 concert reviews in the course, and to fill out and submit a Concert Report for each concert. You will be able to access the Concert Report Form from the Assessments tab in the course. Type your answers in complete sentences and read all the Concert Attendance Guidelines before attending a live performance.

Concert Attendance Guidelines
- Please arrive early to each recital/concert. If you are late for some reason, do not enter the hall when someone is performing. Wait until you hear applause.
- Turn off your cell phone and watch alarms before entering the concert hall.
- You are required to stay for the **entire** concert. Be advised that there may be an intermission at some performances.
- Be respectful of your fellow audience members and of the performer(s). Refrain from talking, rustling papers, or clicking pens. If you are writing notes for yourself, do so in between pieces.
- Applaud at the appropriate times, not in between movements.
- Food, drink, photography, and recording are usually forbidden.

NOTE: If a student submits a concert review that has been plagiarized or for a concert that was not attended, a grade of XE will be recommended.
Student Videos
To complete the student video assessments in the lessons and for the final exam, you will need to digitally record your performances and upload them to YouTube, and then provide the video link in the course website. To upload the videos:

1. Log in to YouTube using your ASU Google account (or personal account if you prefer).
2. Upload the video.
   Note: You may choose to make the video unlisted (NOT private). Remember that your submission cannot be graded if it can’t be viewed.
3. Paste the link into the submission form on the course website.
4. Submit your assignment.

Viewing Grades in HOLMS
Points you receive for graded assessments will be posted to the Herberger Online Management System (HOLMS) Grade Book. Click on the My Grades link on the left navigation to view your points. Your instructor will update the online grades each time a grading session has been completed. You will see a visual indication of new grades posted on your HOLMS home page under the link to this course.
